World Service Conference News: September 2025

Hello friends!

We hope you find these monthly updates helpful. It is important to support Concept 8 with effective two-way communication. One way you can help us stay connected is to use “service-based emails.” These are emails tied to the service position rather than to your personal name.

For example, wscconference@nar-anon.org is a service-based email. When we do a service rotation our email stays the same and everyone can continue to find us at the same email address.

A regional example is delegate@naranoncentralca.org. When there is rotation, the next delegate uses the same email address.

Another possibility is a service-based email using a free email account. For example, delegate.myregion@gmail.com shows a service-based name while using a free email account.

Today, about 62 percent in our mailing list are service-based emails. If the email you are using for the conference communication is a personal email, please consider creating a service-based email. However, the WSC Committee will continue to communicate with you via the email that you feel suitable.

Additional examples of service-based emails are in the list of contacts for the IWSC 2026 in the Reference folder within the IWSC 2026 - All Shared PDFs folder.

Thank you, from the World Service Conference Committee,

wscconference@nar-anon.org

We will send you monthly emails about the IWSC 2026 and continue to post documents to the conference page on the world service website and into the All Share PDF folder. To assist with two-way communication, please inform the World Service Conference Committee if the contact information of any Regional Officer, Delegate, Alternate Delegate, or Representative changes.

This email came from the Nar-Anon Family Groups World Service Conference Committee. Our email address is wscconference@nar-anon.org. If you no longer wish to receive emails from our committee, please reply and ask to be removed from our mailing list.
