December 31, 2025 - Deadline for WSB members and world service committee chairs to inform the WSC Committee of their intention to attend the Interim World Service Conference.

It is important to note there is one deadline for the World Service Conference (WSC) 2027 that overlaps with the schedule for the IWSC 2026.

May 8, 2026 - Deadline to submit motions that propose to change the Guide to World Services or the Guide to Local Services to the World Service Policy and Guidelines Committee for review.

If your region or your world service committee plan to submit motions to the WSC 2027, then you will want to start working on those motions before the start of the IWSC 2026.

The WSC Committee is planning a roundtable on Saturday, January 25, 2026 to discuss Floor Motions for the Interim World Service Conference in 2026 and Conference Motions for the World Service Conference in 2027. We will share more information about that event in subsequent emails. Remember, both the WSC Committee and the World Service Policy & Guidelines Committee can be available to review your draft motions and provide feedback. Additionally, getting feedback from other regions can help improve the intent and the wording of your motions.

We also recommend you check the Guide to World Services, pages 15 and 16 (English version) for additional deadlines, and read page 9 through 24 (English version) for further information about the Conference.

Thank you, from the World Service Conference Committee,

wscconference@nar-anon.org

We will send you monthly emails about the IWSC 2026 and continue to post documents to the conference page on the world service website and into the All Share PDF folder. To assist with two-way communication, please inform the World Service Conference Committee if the contact information of any Regional Officer, Delegate, Alternate Delegate, or Representative changes.
