January 25, 2026 CAT and CWT

Hello, friends!

The Conference Approval Tract (CAT) service and outreach materials are now available for your review. The proposed new service literature is: "S-338FR-Nar-Anon House Party Service Workshop-25-10-26".

There is a Motion that will be voted on during the Interim World Service Conference (IWSC) 2026. If the Motion passes, then this CAT item will become Conference Approved Literature.

We are also pleased to announce the results from round two of the Common Welfare Topics (CWT) poll. The three topics selected by the regions are:

1. Healthy Meetings
2. Growth
3. Growth in Service

During the IWSC 2026, each Common Welfare Topic will be discussed separately. Each separate session will be divided into three parts to focus on Awareness, Acceptance, and Action. This process is described in the proposed Standing Rules of Order that were shared in an earlier email. Regions are encouraged to begin forming their group conscience on these topics, identifying priorities, consensus, and actions.

The CAT document, CAT motion, and the proposed Standing Rules of Order are all posted in the IWSC 2026 - All Share PDFs folder. All are encouraged to translate and review.

Thank you from the World Service Conference Committee,

We will send you monthly emails about the IWSC 2026 and continue to post documents to the conference page on the world service website and into the All Share PDF folder. To assist with two-way communication, please inform the World Service Conference Committee if the contact information of any Regional Officer, Delegate, Alternate Delegate, or Representative changes.
