June 30, 2025

TO ALL NAR-ANON REGIONS, WORLD SERVICE BOARD, WORLD SERVICE COMMITTEES, AND NATIONAL SERVICE OFFICES:

The following information is provided to help attendees plan their participation in the Interim World Service Conference (IWSC) 2026 from April 24, 2026 through April 26, 2026. The IWSC will be hosted from Torrance, California, and virtually accessible worldwide. We invite and encourage all Nar-Anon regions to participate in this conference.

EQUALIZED EXPENSES

The upcoming IWSC 2026 will be a virtual conference. For all regions attending, equalized expenses are a fixed amount that is charged to regions sending a delegate, an alternate delegate, or a representative. For IWSC 2026, the amount will be USD 27.00 for each person attending as a delegate, an alternate delegate, or a representative. A region sending a delegate and an alternate delegate would submit USD 54.00 to WSO. The Equalized Expenses will be used to pay WSO staff (48%), Zoom webinar (15%), and additional technology requirements (37%).

- Discussion and the possibility of writing motions to submit to the Conference Agenda Report (CAR) for World Service Conference 2027

PARTICIPATION

The World Service Conference (WSC) delegates and the chair of the World Service Board (WSB) will each have a voice and a vote. Each alternate delegate and member of the WSB will have a voice and additionally, each alternate delegate and vice chair of the WSB will have a vote in the absence of the regional delegate or WSB Chair, respectively. Representatives will each have a voice when recognized by the WSC facilitator, but have no vote. World Service Committee chair/designated members have voice limited to their submitted motions, committee report, and questions regarding their committee's activities or motions. The World Service Office (WSO) Executive Director has a voice limited to the WSO report and questions regarding WSO activities.

The IWSC 2026 facilitator will conduct conference business sessions using the Standing Rules of the Conference (IWSC 2026) and Robert's Rules of Order Newly Revised (RONR).

ATTENDING

Delegates and alternate delegates from all regions in the world are welcome to attend IWSC 2026. For a delegate or an alternate delegate to be recognized, their region must submit a copy of the minutes verifying election, continued endorsement of the delegate and alternate delegate, or other written confirmation that they were previously elected and that their term will be in effect through IWSC 2026. A regional or national officer, not the delegate or alternate delegate, must submit the eligibility verification. Any member with a voice at the conference or the IWSC facilitator may challenge a delegate's or an alternate delegate's credentials, subject to vote by the other voting members of the conference. In the absence of the documentation described above and with approval of the conference, the member may be recognized as a regional or national representative with a voice, but not a vote.

Regions and/or National Service Offices (NSOs) are to inform the WSC Committee at wscconference@nar-anon.org of their intention to send delegates and/or alternate delegates by December 31, 2025. Each region may send one delegate and one alternate delegate to the conference.

A developing region or lone group in a state or country, which does not have an established region, may send a representative to the conference by informing the WSC Committee of its intention to do so by December 31, 2025. To be recognized at the conference, written confirmation of the representative's selection must be submitted to the WSC Committee. Representatives will have a voice, but no vote. Developing regions or groups sending representatives are responsible for payment of the equalized expenses by December 31, 2025.

The deadline for World Service Board members and World Service Committee chairs to inform the WSC Committee of their intention to attend the IWSC 2026 is December 31, 2025.
